Catamount Constructors Completes Furniture Row Flagship Center

DENVER, Colorado -- **Catamount Constructors, Inc. (Catamount)**, a privately held commercial general contractor with offices in Denver, Colorado and Atlanta, Georgia, recently completed a new 93,500 square foot facility for Denver-based retail furniture leader, Furniture Row. The new Furniture Row Shopping Center, the newest Denver flagship center, is located on N. Broadway at I-25 and 58th Avenue. It houses Furniture Row's main retail concepts Sofa Mart, Oak Express, Bedroom Expressions and Denver Mattress.

Founded in 1997 with earnings exceeding \$187 million in revenues for 2006, Catamount has been providing commercial general contracting and construction management services to owners and developers across the United States. The new flagship center is the sixth facility Catamount has built for Furniture Row.

"We are a general contractor with a retail focus," said Chief Executive Officer Geoff Wormer. "Furniture Row has been a core client since 2003. We feel privileged to be a part of their impressive growth rate and are extremely proud of the work we've completed for them," Wormer added.

Headquartered in Denver, Colorado since 1974, Furniture Row operates over 330 stores in 31 states. Furniture Row Shopping Centers, Furniture Row Outlets and Furniture Row specialty stores offer exceptional values on hundreds of name brand furnishings. The new Furniture Row Shopping Center on Broadway showcases a new interior design created by one of the nation's leading retail design and architecture firms.

"We are very excited to open this flagship destination shopping center here in Denver," said President Tom Faulkner. "We've had stores in this neighborhood for many years but this is the 'Broadway Premiere' for our Furniture Row Shopping Center retail presentation. We brought the expertise we've developed over 30 years and through 330 store and center openings across the country back home to Denver's own Broadway. We think the people of this community will feel the excitement when they walk through the doors," Faulkner concluded. Additional information can be found on www.FurnitureRow.com.

Earning placement in the *Denver Business Journal's* "Top 25 General Contractors" since 2002 and in the *Atlanta Business Chronicle's* "Top 25 General Contractors" since 2005, Catamount thrives on repeat business with national clients including Furniture Row, Wal-Mart, CarMax, Walgreen's, LA Fitness, Chase Bank and Eckerd Drugs.
