Catamount Constructors, Inc. Celebrates Ten Year Anniversary

EVERGREEN, Colorado -- **Catamount Constructors, Inc. (Catamount)**, a general contractor in the commercial construction industry and headquartered in Evergreen, Colorado, celebrates ten years of providing general contracting services to owners and developers across the United States.

Founded in 1997 and authorized to work in 49 states, Catamount is privately held with offices in Denver, Colorado and Atlanta, Georgia. In its short history, the company has experienced significant growth, with earnings exceeding \$187 million in revenues for 2006. "To realize this construction volume in ten years is a proud accomplishment," said Geoff Wormer, Catamount's Chief Executive Officer. "We attribute this success to the talent and commitment of our employees and the loyalty of our valued customers," Wormer added.

Earning placement on *Engineering News Record's* Top 400 Contractors since 2005 and a top 25 contractor in Denver and Atlanta, Catamount thrives on repeat business with national clients such as Wal-Mart, CarMax, Walgreens, LA Fitness and Furniture Row. "Our success is attributed to following our guiding principles and our genuine desire in building relationships and our projects," Wormer concluded.

Catamount's services include general contracting, construction management, design-build and pre-construction including cost estimating, conceptual budgeting, scheduling and value engineering. Markets served include retail, commercial, industrial, religious, automotive, multi-family and hospitality.
