Catamount Constructors Names New Partner

DENVER, Colorado -- **Catamount Constructors, Inc. (Catamount)**, is pleased to announce that Tom Seaman has been named a Partner of the corporation. Mr. Seaman, who joined Catamount in early 2003, currently serves as Vice President of Operations for Catamount's Denver Division.

Mr. Seaman has 20 years experience in the construction industry. His vast knowledge and expertise includes a wide variety of project types in both new and renovation construction. During his career he has held positions that include Assistant Engineer, MEP Engineer, Superintendent, Senior Estimating Engineer, Preconstruction Manager, Project Manager and Project Executive and has managed construction projects with a value of up to \$500 million.

A graduate of Georgia Institute of Technology with a Bachelors of Science degree in Building Construction, Mr. Seaman is a member of the International Council of Shopping Centers (ICSC), National Association of Industrial and Office Properties (NAIOP), U.S. Green Building Council (USGBC) and Design-Build Institute of America (DBIA). Prior to joining Catamount, Tom worked for Turner Construction Company for 13 years, working his way up to Project Executive at the time of his departure.

"Tom has been instrumental in growing Catamount's Denver Division to an 80% repeat client ratio. His impressive knowledge of the construction industry combined with his rigorous methodology provides our clients with an exceptional end product," said Geoffrey G. Wormer, CEO.

"Ever the consummate and seasoned professional, Tom has been a trusted member of our Executive Team, contributing the right mix of commitment and leadership as we move into the future. The entire company joins me in congratulating him on this well-deserved achievement," Wormer concluded.

A privately held commercial general contractor with 2007 revenues exceeding \$201 million, Catamount provides contracting services to owners and developers nationwide with services that include general contracting, construction management, LEED construction, design-build, cost estimating, conceptual budgeting, scheduling and value engineering. Markets served include retail, industrial, automotive, faith-based, corporate / medical office, multi-family, hospitality and LEED / sustainable.

Additional Principals include Jeffrey L. Cochran, Denver Division President, Kurt T. Kenchel, Vice President, Scott A. Reynolds, Atlanta Division President and Jeffrey P. Sidwell, Vice President of Corporate Services.
